7. Nominations must be received by February 1 of odd-numbered years.

B. Order of the Dogwood

The Order of the Dogwood was established to recognize and show appreciation and respect for all NC DKG Past Presidents. Living past presidents will receive a certificate and a Stuart Nye sterling silver dogwood pin with Eta engraved on the back of one of the petals. This special pin signifies membership in the *Order of the Dogwood*.

C. NC DKG Golden Key Award

The NC DKG Golden Key Award honors Delta Kappa Gamma members who have made significant contributions to Delta Kappa Gamma at various levels of the Society. The Golden Key Award is designed for those members who are often times in the background getting things done without personal glory or gain for themselves. The committee is searching for those members who are the backbone of chapters all across the state. The Golden Key is for those dedicated members who are the thread that holds the chapter together and have a deep and abiding love for DKG. These are the members who may have never held an office but because of them the chapter moves along fulfilling the purposes of this great Society. One member from each of the eleven (11) regions will be honored at the NC DKG Convention, if the nominees meet the standards for this award.

Eligibility standards and general guidelines are

1. Recipients must be active members of Delta Kappa Gamma in NC for at least 7 years.
2. No current elected state officer, related personnel, past state president, or current member of the awards committee are eligible.
3. Recipients must uphold the principles and purposes of Delta Kappa Gamma and demonstrate their commitment to Delta Kappa Gamma by being involved in local and state initiatives.
4. No member may receive this award more than once.
5. Members nominated in previous years, but not selected, may have their names resubmitted.
6. Names of nominees shall remain anonymous.
7. Each chapter can nominate one member annually.
 - Special emphasis is directed toward Delta Kappa Gamma participation.
 - Community involvement, involvement in other organizations and involvement in education in general are important in the selection process as to the extent that these activities further the purposes of the Society.
 - It is not a requirement that a nominee must have attended other Society events such as SE Regional or an International Convention, but this information can be included in the DKG participation.
 - The nomination form appears to be very specific related to accomplishments of the nominee. However, it is not intended to mean that the nominee must have been involved in all the

1108 items listed on the form in order to qualify. For example, the nomination form requests
1109 information regarding the number of state conventions, Southeast
1110 Regional/International Conferences the nominee has attended. This section along with some
1111 of the others; i.e. Regional Director, are listed so that chapters have a space to provide
1112 objective information about the nominee. There are also areas on the form that chapters may
1113 use to provide subjective information. This form has value in assisting the Awards
1114 Committee in the selection process.

1115

1116 D. Rising Star Award

1117

1118 The NC DKG Rising Star Award is intended to recognize and encourage key women educators in

1120 exceptional growth in education, leadership, and contributions to the organization consistent with our
1121 Vision and Purposes. Rising Star nominees reflect strong potential for successful leadership at the
1122 chapter and state levels and beyond. Five NC Delta Kappa Gamma members meeting the standards of
1123 this award will be honored each year at the state convention.
